Outreach Service – Request for IT Training / Support.

Training or support is available to schools that have a pupil who is using special software or hardware, usually as a recommendation from an ICT assessment with the Outreach Service. Apart from the initial Clicker 5 training, support or training can usually be offered on site.

I would like to request training / support in the following areas:
(please tick relevant boxes).

Clicker 5 - Initial training (for new users, at your own school or Thomas Wolsey).	
Clicker 5 – Support, for existing users requiring help or advice.	
Penfriend – Setting up and using.	
Wordbar – Setting up and using.	
Support for any other software recommended in an ICT assessment, please state	
Hardware support – Setting up and using any hardware (switches, special keyboards and mice etc) recommended in an ICT assessment, please state	
Any other kind of support, please state
